Client's Unmet Needs

MBH needed to update their website and wanted to set themselves apart from their competition. They simultaneously needed to update their marketing materials.

Greater Revenue through Creative Solutions

Creative Solutions was selected to develop the MBH's website and develop their brand communications. Our website design helped them gain a competitive advantage with a unique friendly design. The financial calculators eased the staff workload and deepened customer relationships and helped to increase sales activity which led to greater revenues.

"Thank you again for doing such an outstanding job with our website, marketing materials and logo design. I have received many compliments from clients, other tax and accounting professionals, and staff about the excellent website you maintain for our benefit. As usual --- your assistance and business conduct is highly regarded. Thanks very much."
